

# Summer Term Reading Challenge

You have the once-in-a-year opportunity to participate in a reading challenge! Can you complete the tasks set to earn yourself an **extra non-uniform day**?

A book that's been made into a film

## Summer Term READING CHALLENGE

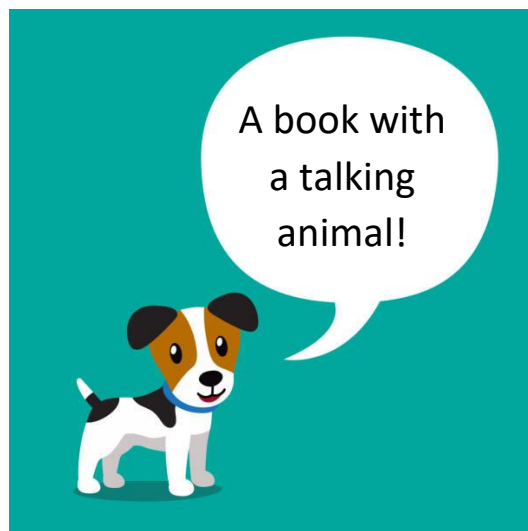

A book set before 1914

A book recommended by a teacher/classmate

A book with a female protagonist

A book set outside of Europe or the USA

### What is a reading challenge?

A reading challenge is designed to make you read outside of your comfort zone. The prompts below are designed to encourage you to pick up a book which you might not have before.

### How do I earn the non-uniform day?

You will need to **read** and **pass a quiz** on books which match the prompts below, before the last week of term. How many prompts you need to complete will depend on what year you are in.

### Are there any other rules?

Each book can be used for only **one prompt**. **Only** books read and quizzed on in the **Summer Term** will count. At least **three-quarters (75%)** of the books which you read must be **within your ZPD or slightly higher**.

### What are the prompts?

A book with a female protagonist (main character)	A book set outside of Europe and North America	A book set before 1914	A book set in the future
A book recommended by a classmate/teacher	A book which has been made into a film/TV show	A book with a talking animal	FREE CHOICE – You must get 100% on your quiz

### Expectations

Year 5 & 6 = 4 prompts

Year 7 & 8 = 5 prompts

### Additional Notes

There is no minimum page count for the books which you choose to read, but try to challenge yourself.

Remember – you must pass every book on your slip – so read carefully and quiz as soon as you can.

The slip below must be filled in and returned to Ms. Locke or Mr. Dyer **by Thursday 7<sup>th</sup> July**.
