Headteacher Update

Dear Parents/Carers,

I can't believe we are at the end of this academic year. I wanted to write to you one final time to celebrate all that your children have achieved over the last year. You will see further below that it has been an **action-packed year** and I know you will join me in celebrating all our **pupils' achievements**.

Goodbye and Good luck

On Friday we will be saying **goodbye to our Year 8 children** as they take their next steps in education moving to Upper School. We wish them, and the children leaving us at the end of Year 6, all the very best for the future.

As mentioned in my last newsletter, we will also be saying goodbye to **Mr Beattie** and **Mrs Rainsley** at the end of this term. We will also be saying goodbye to **Mrs Fyson**, and we wish them all the very best as they move on to new and exciting experiences ahead.

Welcome to our new families

It was wonderful to welcome our new children and families to the Welcome Walkabout event on 28th June. This was a fantastic opportunity for all our staff to meet our new Year 5 children ahead of the next academic year. We look forward to welcoming all our new pupils in September.

Summer Concert

On Wednesday 12th July I had the pleasure of attending the wonderful summer concert - **'The Oscars Night'**. What talented students we have at Lockyer's Middle School! Well done to all the musicians and singers who took part on Wednesday 12th July. A big thank you, too, to Mrs Wallace for your dedication to music and inspiring so many young minds.

Okehampton & Enrichment Days

Recently we saw Year 6 pupils head off to **Okehampton** for their first **residential trip** at Lockyer's Middle School. What an incredible few days they had enjoying activities such as; gorge scrambling, axe throwing, rope climbing and so much more. The childrens positive, can-do attitude and support for each other were outstanding.

In school we had 2 **Enrichment Days** where all of our year groups took part in lots of different off-timetable activities with a theme of **Healthy Mind, Body and Community**. These have included running or walking the Daily Mile, field sports, baking biscuits for the community, making boxes for the biscuits, learning pieces of music with Boomwhackers, dice games, making wooden birdfeeders, MERCK science experiments and so much more. The children have had a brilliant time.

Values

I am excited to share our new school values: **Ambition - Courage - Respect** These were chosen following a survey shared with all stakeholders in our community. These are the values that all members of our Lockyer's community aspire to.

Return to School

We return to school for the Autumn Term on **Tuesday 5th September**.

Thank you

And finally, I would like to thank the school community for welcoming me in my first year as Headteacher at Lockyer's Middle School. It is a privilege to work with such a **dedicated staff team** and **incredible children and their families**. We have had a fantastic year and I would like to share my personal top 3 highlights:

1. Music concerts! What an honour to hear such talented performers sing and play instruments. I can not wait to see the concerts next year.
2. Sports Day! Having all pupils out supporting each other and enjoying outstanding performances from so many incredible students.
3. Great Lockyer's Bake off! Being a judge was a privilege. So much talent and such tasty cakes.

On behalf of all the staff, I wish you an enjoyable summer break.

Best wishes
Miss A. Dufek - Headteacher

Year 7 also took part in a chemiluminescence experiment with the team from Merck. Students from both Years 7 and 8 achieved their bronze CREST award creating their own STEM project in an after school club.

ENRICHMENT DAYS

This year's Enrichment Days were incredibly successful, with students taking part in lots of off-timetable activities. These included sports, science experiments, music with Boomwhackers, nature, art, woodwork, baking, community awareness and, of course, egg throwing!

ePRAISE

ePraise is a hugely successful incentive scheme that we run in school. It promotes positive behaviour, helpfulness, hard work, going above and beyond and thinking of others. The students are rewarded with off-timetable activities and enter ballots to win some great prizes.

Some of the activities we've run this year have been:

Clay-making, Zendoodling, Dream-catcher making, dodgeball, rounders and non-uniform days.

We look forward to offering more ePraise rewards next year!

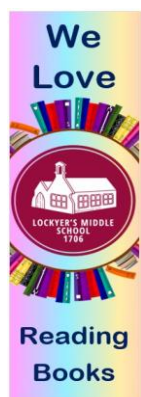

MUSIC

Music is such a huge part of our school. Under the guidance of Mrs Wallace, our students have had some incredible opportunities to play and perform this year.

They have had the Christmas Concert, Choir performances at Nursing Homes, Samba at Corfe Mullen Carnival, the Summer Concert to name but a few.

We offer many different Music Clubs in school (Sing, Chamber Choir, Ukulele Club, Samba Band), moreover we have many students who take part in Peripatetic Teaching with Absolute Music.

SCHOOL LIBRARY

This year the School Library has had a bit of an update; not only having a re-shuffle to make finding books easier and more accessible, but also the addition of lots of new books for all of the children to read - many requested by students!

The Library is a great place for any of the students to come and read at break times and lunchtimes as well as to get help and recommendations from our fantastic student librarians.

SCHOOL SPORTS

We are delighted to announce that we have achieved the School Games Gold Level Mark Award for the 2022/23 academic year. We are extremely proud of our pupils for their dedication to all aspects of school sport!

Sport at Lockyer's is one of the outstanding parts of our school, not only within the curriculum, but also as part of our club provision, both during lunchtimes and after school. The high level of abilities, along with the students' enthusiasm really has made this year a real sporting treat. We have had Rounders Club, Cricket Club, Football, Athletics and Gymnastics, to name but a few.

Sports Day

This year Sports Day was full of laughter, singing and of course races. We had a very eventful day full of sport with every pupil competing in some sporting capacity to earn points for their house. The intermittent rain certainly didn't dampen our spirits today! We had so many incredible performances, with Finlay in 8GW getting a new school record for the 100 metres - 12.94s. A fantastic achievement from a talented athlete.

Congratulations to Hengistbury House who were our Sports Day winners!

THE GREAT LOCKYER'S BAKE-OFF

This competition back in March was one of the big achievements in school this year; not only for the incredible number of entries received across the year groups, but also the fantastically high standard of entries. It really was a tough competition to judge, with eventually the overall winner being Flo in Year 7.

We very much look forward to running this event again in the next academic year, so get practising everyone!

EXTRA-CURRICULAR ACHIEVEMENTS

We have been overwhelmed by, and super-proud of, all of the extra-curricular achievements that so many of our students have undertaken this year. From various sporting accolades, to dance shows, swimathons, writing and art competitions, geological finds, plus many, many more! We hope all of our students continue in their extra-curricular pursuits for the forthcoming year so that we can celebrate all of their achievements with our Lockyer's Community.
