## Do you have a budding newbie brass player in your midst? Wondering how best to get them started?

Well, Youth Music Wessex has it covered ~ with lively group learning and top-up one to one lessons with the pros, instrument loans, bursary support, guidance and advice from our team of highly experienced tutors, and to top it all ~ membership of one of the oldest & largest youth music organisations on the South Coast.

**The Robbie Bowering Brass Class at YMWes** is run by our very own brass "pro" Peter Turnbull - Bournemouth Symphony Orchestra, and offers your child a golden gateway to instrumental learning, ensemble playing and the inevitable brass-playing mischief and camaraderie!

**Class participation ~ £5 per week (paid termly), optional instrument loan ~ £10 per term, optional additional top-up lessons with the pros ~ £10**

Bursary support is available for eligible applicants and can cover all or any of the above, meaning the delights that come with musical study and participation in group music-making at YMWes, are truly accessible for every youngster.

For further information on the class and opportunities at YMWes, please use the QR code below, or visit: <https://www.youthmusicwessex.org/robbie-bowering-brass-class.html>

Alternatively you can email any questions to us at:

Or why not pop in one Saturday and come and see for yourselves?  
Everyone's welcome at YMWes. We look forward to meeting you soon!
