SPORTS DAY 2025

What a fantastic celebration of sport, teamwork, and school spirit we had at this year's Sports Day! The sun was shining, the energy was high, and our students rose to the occasion with enthusiasm, determination, and pride in representing their Houses.

The morning began with House Competitions across a variety of field events and team-based challenges, where students competed with incredible effort and encouraged one another throughout. At the same time, we held the heats for track events – setting the stage for an exciting afternoon.

Following a well-earned break, the whole school gathered together to watch the finals of the track events, creating an electric atmosphere of cheers, celebration, and support. Our samba band opened the afternoon session with a bang, setting the tone with rhythm and colour, and our Dance Club, led by our amazing Sports Leaders, brought the crowd to life with interval performances that showcased energy and creativity.

From sprint finishes to long-distance grit, high jumps to House chants, the day was full of memorable moments. Whether standing on the podium or cheering from the side-lines, every student played their part, showing true sportsmanship and living out the Lockyer's values of Respect, Courage, and Ambition.

A huge thank you to all the staff, Sports Leaders, student helpers, and families who supported the event. It was a day to remember – full of smiles, sunshine, and school spirit!

Josh hasn't just been a Sports Leader... he's created a legacy.

This year, Josh has gone above and beyond in every possible way. From day one, he's shown initiative, maturity, and an unstoppable work ethic that's inspired students and staff alike.

- He took full charge of organising our Sports Leader Duty Rota, making sure lunchtimes ran smoothly and fairly.
- He led stock checks and equipment audits, ensuring every student had access to the right resources to enjoy sport.
- He helped lead our Sports Leader Apprenticeship Program, role modelling how to referee games with fairness, confidence and clarity.
- And – most memorably – off his own back, he organised a Year 5 Lunchtime Summer Football Tournament, complete with fixtures, referees, and even a trophy for the winning class.
