Dear Parent/Carer

We are so incredibly proud of how well our new Year 5s have settled into Lockyer's Middle School. The courage they have displayed as they have worked their way around our school and got themselves used to the new routines is something to be proud of. Within lessons, they have approached their learning with the ambition to achieve the best they can and be resilient when facing challenges. All staff have noted that our Year 5's are incredibly respectful; they are polite to staff and supportive of each other as they continue with existing friendships whilst also developing new ones.

To celebrate a wonderful start to Lockyer's Middle School, we would like to invite them to a 'Year 5 Celebration Party' on Wednesday 23rd September, 3:15pm-4:15pm. The children will have an hour of fun with their teachers and the rest of their year group, taking part in games. We will provide all pupils with biscuits and a drink before heading out for some fun activities on the field. We ask that all pupils have their PE kit in school on this day, so they can change to take part in the games.

Please complete the google form by clicking on the link below, to give permission for your child to attend our Year 5 Celebration Party by Monday 21st September at the latest.
