Dear Parents and Carers,

We are pupils from the **Everyone Belongs Committee**. Our team works together to ensure every member of Lockyer's Middle School feels welcomed, valued, and respected. We celebrate our differences and strive to build a community where truly everyone belongs.

We have an exciting project coming up, and we would love your help!

Working alongside Mrs Evans, we are creating our very own **Human Library**. We are looking for adult volunteers to join an in-school database. Throughout the year, teachers will be able to reach out to our "human books" to help bring our classroom learning to life.

Do you have experiences, skills, or stories you could share to deepen our learning? We would love to hear from volunteers who can speak about:

Curriculum Subjects: Sharing practical knowledge connected to what we study.

Cultures & Heritage: Insights into different countries, languages, traditions, and backgrounds.

Careers & Passions: Your professional expertise, unique hobbies, or practical skills.

Diversity & Inclusion: Personal perspectives on equality, accessibility, and community representation.

Resilience & Values: Stories about overcoming adversity, perseverance, and living our school values.

As a "human book," you might speak with a small group, a class, or an entire year group. Any time or support you can offer would mean a lot to us.

If you are interested in joining our Human Library, please complete our brief volunteer form here:

We cannot wait to discover the amazing knowledge, skills, and stories within our school community!

Thank you for your support,

The Everyone Belongs Committee
